## **PROFESSIONAL EDUCATION**

April 2012 **Applied Metapsychology International - TIRA.Org, Ann Arbor, MI**  
**Certificate:** "Traumatic Incident Reduction workshop" (TIR) Intro to Facilitation.  
**Curriculum:** 28 Credit Hours approved by the American Psychological Assn. (APA), and National Association of Social Workers (NASW). 4 Days of Lectures and Clinical Workshops on how to serve as a Facilitator in the reduction of patient fear, by the use of approved TIR techniques used in Metapsychology for the effective treatment of acute and chronic Anxiety Disorders.

Coursework and exercises focused on how to facilitate the identification of traumatic events that contribute to Anxiety Attacks; as can be experienced by Dental patients and Health Care Professionals. TIR Facilitation can be used for patients unable to seek regular Dental Care -- due to Fear or inability to reduce Anxiety Attacks by other means; such as by medication, or conscious sedation.

March 2012 **The Academy of Laser Dentistry, Coral Springs, FL**  
**Certification:** Granted "Standard Proficiency in Dental Lasers and Laser Therapy."  
**Curriculum:** 24 AGD ADA-CERP Credit Hours. Passed Written, Didactic and Practical examinations in the understanding and clinical use of Er:YAG and NG:YAG Dental Laser wavelengths.

The program and conference included: Laser Physics & Parameters, Emergency & Safety Precautions, Laser interaction in Hard & Soft Tissues, Laser Diagnostics, Clinical Hard & Soft Tissue Simulations, Practical Examination, Laser Biostimulation, Photo Induced Photoacoustic Streaming (PIPS) in Endodontics, Written Examination, Photo-Biomodulation of soft tissues, Muscles, and Joints in Low Level Light Therapy (LLLT), and Lasers in Periodontal Therapy. Initiated start of "Advance Certification" program in Laser Dentistry and pending 2 year completion of core requirements.

(Continued)

**PROFESSIONAL EDUCATION (continued)**

- October 2011 ***Academy of Clinical Technology – Technology 4 Medicine, San Clemente, CA***  
**Certification:** Proficiency in Fotona Hard and Soft Tissue Dental Laser Therapy.  
**Curriculum:** 24 AGD credit hours completed and certified by the Association of Clinical Technology. Didactic and Practical course work in the understanding and clinical use of the Er:YAG and Ng:YAG laser wavelengths. Lectures on Laser Physics, Fotona Laser Fail Safe Systems, Precautions on Facility use, Staff Training in Laser Safety, Laser Photoacoustic effects on Bacteria, Laser interactions with Hard and Soft tissues. Fotona-Light Walker Laser workshop participation in removal of decayed Hard tissue, Biostimulation of Lesions and Soft Tissue Injuries, Periodontal Laser Therapy, Laser techniques for conservative Periodontal and Oral Surgery.
- PIPS Endo Patent Use Licensure:** The Er:YAG Laser hands-on work included certification and licensure in the use Photo Induced Photoacoustic Streaming (PIPS) for Endodontic Root Canal Therapy. Clinical simulations provided techniques and skills needed to use the PIPS Endodontic protocol on Anterior and Posterior teeth using guts percha and methacrylate-based Endodontic sealers; in particular use of the resin-coated EndoREZ system by UltraDent.
- Sept 2011 ***E4D Dentist University - D4D Technology, L.L.C., Dallas (Richardson), TX***  
July 2012 **Certification:** #201, E4D Dentist Elements of Success in Digital Dentistry.  
#372, Fundamentals of Digital Dentistry: Focus on Veneers.  
**Curriculum:** 20 ADA CERP approved Credit Hours, 4 days. E4D Computer Assisted Design and Computer Automated Milling (CAD/CAM) Techniques. Principles of Digitally Created Restorations, Modification of Tooth Preparation in Digital Dentistry, Digital Impression Scanning, Impression Orientation, Margin Tracing, E4D Computer Automated Milling, Quality Control Checks, Restoration Seating and CAD Virtual Corrections.
- Lecture and Practical workshop experience in full Arch Digital Impressions. Anterior Aesthetics, Staining, Glazing, Large Case Planning Strategies, and creation of same-day oven fired and glazed E-Max Veneers.
- Oct 2009 ***The Scottsdale Center for Dentistry - CEREC Doctors.com, Scottsdale, AZ***  
Mar 2012 **Certification:** Level 1, Patterson Basic Training in CEREC Digital Restorative Dentistry.  
Level 2, CEREC Mastery – Rapid Integration into Practice.  
Level 3, Posterior Quadrant Proficiency and Restoring Implants.  
**Curriculum:** Over 30 AGD / CERP credit hours. Introduction to CEREC Computer-Assisted Design and Computer Automated Milling (CAD/CAM) Techniques. Participation and lab experience, Digital Impressions with Red Cam Powder and Blue Cam Powderless techniques, Lectures on CEREC Design techniques, how to Reduce Restoration Failures, Fabrication of Anterior and Posterior CEREC Porcelain/Composite restorations, Shade and Block Selection, Fabrication of Temporary Composite Bridges, and other clinic techniques.
- June 2009 ***Aspen Dental Managing Clinical Director Program, Syracuse NY***  
**Certification:** Managing Clinical Director (M.C.D.);  
24 AGD approved credit hours.
