EXPERIENCE

2023-Present

CEO & Founder • Insight Expert Solutions (IES) • Arlington, TX

In this role I am a servant leader who is responsible for our overall direction and long-term success.

I also function as an expert physician who provides a range of services, which include medical-legal consulting, independent medical evaluations, peer reviews, records reviews and more.

2020-2024

Medical Director • Premise Health @ Bell Helicopter • Hurst, TX

In this role I led a team of medical staff in providing occupational health services to employees of Bell Helicopter. I also evaluated and treated a wide range of work-related injuries and exposures.

2015-2023

Independent Medical Consultant • Dallas/Fort Worth (DFW), TX

In this role I provided a variety of medical consulting service to various clients. I continue to provide these services through IES.

2014-2017 & 2019-2020

Medical Director • Nova Medical Centers • DFW, TX

In this role I led a team of medical staff in providing occupational health services to employees of various companies within the DFW metroplex. I evaluated and treated a wide range of work-related injuries and exposures.

2017-2019

Part-time Medical Provider • CareNow • Dallas/Fort Worth, TX

In this role I evaluated & treated individuals for a variety of medical conditions.
