Summary of Expertise

Dr. Pope has 36 years of experience in the clinical practice of plastic surgery. As Associate Clinical Professor at UCF College of Medicine in Orlando, he has taught medical students through the years in both clinical and laboratory settings and created the Fourth Year student elective in Plastic Surgery.

Dr. Pope is certified by The American Board of Plastic Surgery and The American Board of Otolaryngology. He has served as chairman of the Plastic Surgery Department at Orlando Regional Medical Center, a Level I trauma center, and has performed trauma and breast reconstruction throughout most of his career and cosmetic surgery throughout his entire career.

He has been named Top Plastic Surgeon and Best Plastic Surgeon for many years in national peer-driven surveys. He trained at Tulane Medical Center (General Surgery and Otolaryngology) and the University of Louisville (Plastic Surgery). Dr. Pope serves as an expert witness for plastic surgery, cosmetic surgery, and trauma surgery.
